

The Big Lemon

THE BIG LEMON BUS TO STANMER VILLAGE

Nourish, Fork and Dig It and The Big Lemon are currently researching the level of need for an improved bus service to Stanmer Village, servicing all of the different units and individuals in the village that would find it useful. It is also hoped that by having this service that we could greatly reduce the amount of cars that come into the park at weekends and at events.

We would be grateful if you would fill out our Questionnaire and return it to your head office for collection by one of the Nourish team. Alternatively, send it to the address below. You can email Jeanne James with any questions at feenixcity@gmail.com. Your support is greatly appreciated and very important to us in deciding the need for this extra service. Thank you.

Return to: Jeanne James, F4, 46 Brunswick Square, Hove BN3 1EE.

Name: Tel:
